

## AGENDA SIXTH FLASH CONFERENCE, ROSCOFF, 28 FEB – 4 MARCH 2010

|                | <b>Sunday 28th</b>                                     | <b>Monday 1st</b>                        | <b>Tuesday 2nd</b>  | <b>Wednesday 3rd</b>                             | <b>Thursday 4th</b> |
|----------------|--|--|---------------------|--|---------------------|
|                |  | <b>THEME 1</b>                           | <b>THEME 2</b>      | <b>THEME 3</b>                                   |                     |
| 8:30 - 9:15    |  | S. Kobayashi (JP)                        | C. Afonso (PT)      | G. Rios (FR)                                     | <b>DEPARTURE</b>    |
| 9:15 - 10:00   |  | P. Guiry (IE)                            | C. Claver (ES)      | H. Kuipers (NL)                                  |                     |
| 10:00 - 10:15  |  | <b>Coffee Break</b>                      |                     |  |                     |
| 10:15 - 11 :00 |  | M. Matloz (FR)                           | A.H. Hoveyda (USA)  | D. Milstein (IL)                                 |                     |
| 11:00 - 11:45  |  | S. Jullian (FR)                          | D. Agar (DE)        | M. Beller (DE)                                   |                     |
| 11:45 - 12:30  |  | T. Salmi (FI)                            | K.D.P. Nigam (IN)   | M. Lemaire (FR)                                  |                     |
| 12:45 - 13:45  |  | <b>Lunch</b>                             |                     |  |                     |
| 13:45 - 17:00  | <b>REGISTRATION</b>                                    | <b>Free time - Posters - Discussions</b> |                     |  |                     |
| 17:00 - 17:45  |  | D. Dixon (UK)                            | M.C. Willis (UK)    | A. Irabien (ES)                                  |                     |
| 17:45 - 18:30  |  | K. Grela (PL)                            | C. Bolm (DE)        | L. Gradon (PL)                                   |                     |
| 18 :30 - 18:45 |  | <b>Coffee Break</b>                      |                     |  |                     |
| 18 :45 - 19:45 |  | <b>Welcome Buffet</b>                    | Short presentations | Short presentations                              | Short presentations |
| 19 :45 - 20:45 | <b>20h<br/>Honorary Lecture</b><br>A. Stankiewicz (NL) | <b>Dinner</b>                            |                     | <b>21h<br/>Conference Dinner<br/>and closing</b> |                     |
| 20:45 - 22:30  | <b>ERA-Chemistry</b><br>G. Bechtold (DE)               | <b>Posters</b>                           | <b>Posters</b>      |  |                     |

Theme 1 : Extreme efficiency in organic synthesis and related molecular process intensification.

Theme 2 : Driving to the limit of catalysis efficiency and multiscale approach of catalysis engineering.

Theme 3 : Towards innovating sustainable chemical and bio-chemical reactions and enhancement of processes by micro-structured engineering.
